

## Revenge of the Stitch

The competition features construction of an outfit of garb ON-SITE by a team of artisans. Besides taxing the ingenuity of the team, the on-site construction will provide a learning experience for observers - they will be able to see a variety of approaches to garb construction, fitting and design elements. The competition will begin on Friday April 28, 2017 at 5:00pm and end on Saturday April 29, 2017 at 5:00pm. The completed outfit will be modeled at court on Saturday evening.

Specifics:

1. Due to space limitations, only eight teams are allowed in this competition. Entries are accepted on a first-come, first-serve basis.
2. A 'complete outfit' includes all aspects of clothing that are visible when worn. This includes; shirt/chemise, overtunic/dress, pants/skirts, head coverings, etc. Undergarments, footwear and accessories (belts/jewelry/pouches/etc.) are optional items; no points will be lost for their exclusion from your entry, but additional points will be awarded for their inclusion.
3. All construction for the complete outfit must be accomplished on-site; fabric cannot be pre-cut, etc. A mockup (sloper) is allowed, and encouraged, to be prepared in advance.
4. Teams must bring all materials and equipment that will be needed for the creation of their entry. Electricity and workspace/tables will be provided in the Main Building at the site.
5. Each team must display an image (drawings, mockup(sloper), etc.) with documentation of their entry at the workstation.
6. Each team may consist of up to 6 members, plus a model. **PLEASE NOTE** – if the model works on the outfit, they are considered a member of the team.
7. The model must be present throughout the competition and wear the completed outfit at the feast on Saturday.
8. A panel of judges will observe the creation process throughout the competition, and announce the winner following the feast on Saturday.
